**Announcements:**

- 1. WE NEED MORE RECORDING SECRETARIES!!!! We will start using the Global Family Group for Recording. Holly is getting onboarded. Beth and Chris are our part-time Recording Secretaries. The Roman Municipal subcontractor has ceased to exist but the British Territorial government has granted them 3 months of funding. That gave them time to manipulate hurricane Helene.**
- 2. If you want to be included in the FOCUS meetings, contact KBM.**
- 3. Steve Warden has stepped up for New Inquiry. Cheryl has streamlined the process.**

4. Meeting minutes are now on the Website – we need to start using the Website as a more “info-centric” platform.
5. Sign In America training – EVERYONE is REQUIRED to take this!!!!
6. Federation Intel? New ID Cards coming (updates for International jurisdiction: Autograph, issue/expire date, address). Identity Theft – report to IG of USPS, and Liening the Defacto (July 21<sup>st</sup>) Updated Credential Cards, see below (August 25<sup>th</sup>). Nothing past 2 weeks. Traffic Stop: Here is a section from the minutes of one of The Idaho Assembly meetings:

"There have been some misconceptions with traffic stops; he reiterates the do's and don'ts; the first thing to do when stopped is ask "what is the emergency and how can I help?". If there is no emergency you calmly say "well that's interesting, because your emergency flashers on; are you aware that it is a felony to utilize emergency flashers in Idaho (KBM's note: I don't think this applies in Virginia. I've tried to find the statute to no avail.....) if there is no emergency?". Smile, be kind and cordial. They will say "license and registration". Calmly put your palm out holding your credential card and insurance card, and nothing else; you do not hand it to them, you allow them to take it from your hand (which is an important distinction); Be accommodating but not over eager. If they say "there's no registration or license" you say "well, what indication do you have that I'm functioning in commerce?" They'll usually come back with some sort of retort. Just smile be cordial, and say "well, I don't know what premise you're operating under, but here are my credentials, and here's my proof of insurance; is there anything else?". And that's all; if they write you a ticket, smile and say "thank you very much". The biggest issue that people have been getting into is trying to argue or claim their status, which isn't going to get you anywhere. If they give you a ticket, make sure within 72 hours you send an endorsed version of that ticket back "accepted for full satisfaction and accord". Make sure you include a certified copy of your fee schedule. That is why it is important to make sure your fee schedule is recorded on the de facto. The time to get your fee schedule is not after something has happened. If it's not provided at the time, it's not going to be useful. Optimally, if you do have a certified copy of your fee schedule, you can provide that at the same time as the traffic stop by handing it to the privateer. Additionally, you can obtain their business card (which is a very important thing to do). It's critical to film the entire encounter, from the moment the stop begins until it's over. If they comment on it, you just ask them if they are wearing a bodycam; if the answer is yes, then there shouldn't be any issue. You're just "making sure the interaction is filmed for the safety of both parties". Aside from that, after the ticket is endorsed, send it to the address on the ticket along with your certified copy of fee schedule, and if you want, a cover sheet explaining who you are and your status; you can include a copy of your credential card. And that's it. If it does go to court, record a certified copy of your 928's into the court docket. At that point, things should be dismissed fairly quickly."

6. **Coordinator Training:** Randy, Shirley, Cheryl, Lorraine, Beth, Thunder and I. Any others? Booklet, "How to Build an Assembly". KBM will make all 19 files available to us.
7. **Global Family Vault:** go here: [https://linktr.ee/Global Financial Safety Vault](https://linktr.ee/Global_Financial_Safety_Vault)
8. **Global Family Group sign up** – go here for an account: <https://globalfamilygroup.com/lrps.html>
9. **ClaimYourInheritance.info** (the site still under construction)
10. **Add Calendar** to the website (should now have all our meetings listed).
11. **Mondays at 6:30pm (weekly) for New Virginia Education – NEED TO PICK A NEW WEEKDAY.** Kevin Barry Miller is taking these over. It was suggested that Claire could assist KBM with this.
12. **LRO Email Opt-In.** If you do or do not want your email posted on the LRO, go there and make your selection.
13. **No State-Level Sheriff:** Continental Marshals are completely international but, because our government is not yet stood up, they have no standing. The IBA or Focus Group should discuss the sheriff issue. Steve is the chair of the special services assembly. For now, we need the equivalent of a state sheriff, we should just call his position another title, like militia commander.
14. **Notice of Liability:** will provide next time, download was corrupted. (You should be able to download the individual files, but perhaps not entire folders). This material covers an administrative process on declaring that someone is treasonous. This should be our major focus in November. Now is the time to start holding people's feet to the fire. Everyone should listen to AVR's YouTube podcast on North Carolina today. It is regarding sheriffs. The federation has declared law of the land for the entire nation. The military has been converted back to American as have all the East Coast ports all the way to Texas. The Virginia Albemarle County sheriff has publicly stated that she is not a constitutional sheriff.

#### **Old Business:**

1. **Vote to adopt minutes?** September 24<sup>th</sup> of 2024. Randy moved to adopt the minutes, and Lorraine seconded. There were no nays, the vote was unanimous, and the minutes were approved.
2. **Sheriff notices?** Cheryl is keeping a list of what is sent....we also need Delivery Confirmation.
3. **Legislature Notice (update).** KBM said he will finish this task by next Monday for both the legislative and justice notices.
4. **Justice Notice (update).**

5. **T-shirts! Lorrayne is recommending that anyone who wants a white T-shirt should email her your size, and number of T-shirts desired. She will order them and bring them to our in esse meeting at Gretna. (put "T-shirt" in the subject line). For other colors, you will have to wait because she must adjust the color of the text. The cost will be about \$35 each. The T-shirts wash well and look great. They are made of quality cotton that does not shrink, and the ink is soft, and are printed on front and back.**
6. **Updated Credential Card process (see attached).**
  1. **Use BLACK ink for signature.**
  2. **use Hand-written copyright symbol.**
  3. **RED thumbprint**
7. **Danville, Virginia meetup – October 20<sup>th</sup> (Sunday) Updates? (see attached)**

**Thursday is the Outreach Meeting at 5p. They will be planning the final details for the in esse meeting. Go to the website, click on "in esse" tab.**

**New Business:**

1. **Hurricane updates?**

**AVR has put out a lot of info this week. She is taking all corporate sheriffs and has made them land and soil sheriffs. Damascus, VA suffered serious hurricane damage. The Steins are all well, they are in Boone, NC. Our other people, Holly and Robert are not yet living in their new house, but their property has a sink hole. Our military is now the American military.**

**KBM read parts of AVR's new Sheriff notice.**

2. **Committee Reports**

**Randy, Court Document and Process Committee did not meet last week but will meet tomorrow night at 7p. We are getting close to finishing.**

**Lorrayne, Jural Assembly, Education Opportunity on Thursday, she wants to see more people participating. Every other Thursday is education. They spoke on sovereignty and self-governance. She highly encourages us to participate. We need to learn who we are and how we operate as Americans.**

**Cheryl, Outreach Committee, meet 5p on Thursday. Notice and Claims she has to pull back on some things. She is focused on cyber interface and bio-digital convergence. She will put out a second call to AVR until she sees it. She has pulled out of Louise' project for now**

and will plug back in to be the liaison for Virginia. She is still focusing on notices for Virginia, but her heart and soul is alerting people to bio-digital convergence.

Cheryl, has been invited to an international business assembly group hosted by Arizona and other countries too. They will speak on education. They are looking at the Waldorf and Sudbury education models. They meet every other week on Wednesdays. Ask Cheryl if you want to attend.

**Claire, Committee on Education.** Everyone needs to read the Excellence of Common Law. In it is the Jural Assembly handbook. Jury nullification is a powerful tool for Nationals to say “yeah” or “nay” to a law. She needs to revise and update the reading list. She had computer issues and is stuck on version #10. Randy said education should be in levels. Claire has been putting educational stuff together for a while. We need to collaborate more within ourselves. Claire could help KBM.
