The New Global Land Recording Service

By Anna Von Reitz

You get to vote --- with your feet.

You get to return home to the land and soil of your own country and live at peace with your own nation, and it's all up to you. You get to choose --- (1) go home and be at peace and have plenty of everything you need to thrive and live happy lives, or, (2) stay "at sea" with the British boots on your neck, living as a slave population at the whim of your "masters".

Join our global family and go home to the land and soil of your own country.

If you are Americans, go here -- www.TheAmericanStatesAssembly.net.

Step 1

Step 1. Correct and Publish Status – Americans on Land and Soil

What this means:

1. Correct your Status by going to the American Assembly of your state
<https://tasa.americanstatenationals.org/correct-your-status/>
2. If you in another country outside of America, go to
<https://globalfamilygroup.com/lrps.html#>
3. For those in America who simply want to establish their bank account and record their status and later be involved with the State Assembly, use step 2.

Global Family Group Website – Sovereign – Americans recorded on LRO/LRS
Does NOT appear to be request of Banking Account for prepaid cards but **RECORDING**

Go to site: <https://globalfamilygroup.com/lrps.html#>

This screen should be asking for LRO or LRS Recording Number as well as form of picture id, and maybe a pdf of piece of mail to verify address.

Hit Submit – follow email instructions

Global Family sends following email:

Why are they asking us to LOG INTO our LRO or LRS Account and give them that private URL that should be password protected?

Step 3

Status Corrected Form

From  Do Not Reply <noreply@secure.tgf528.network>

Welcome and thank you for filling out the Status Corrected form.

Please log in to your LRS/LRO account or where ever you are published, once you are logged in and see your documents, copy/paste the URL and send your direct link to publish@globalfamilygroup.com for verification. If you are not able to provide your link , please provide your Credential Card and recording number.

"You are the Value" So grateful,
Your Global Family Publishing Team

The email is asking us to log into our secure password protected LRO account and give them that URL associated with our documents.

However, all they need is type our name or recording number to verify using the everify system:

<https://everify.americanstatenationals.us/home/verification-page/>

Type name and submit

Click on: Go to Record and copy to verify/validate

If they validated the LRO Recording Number – this is what they would see to verify and validate for a Bank account – NOT publishing:

This is what they would see once we provided up front in first screen the recording number

GFG – requires we upload our documents vs just using our recording number

We DO NOT need to re-publish status correction

8. When up loading your documents they must be in a PDF format. No screenshots like it is your Instagram or Facebook page. We must be able to legibly see each page of your documents. So please do not lay them out on your floor and take a picture of them. We must have your witness testimonies as well as your 1779 document or 928 documents to verify you are lawfully an American State National or Citizen. Remember this is a publishing site that issues credential cards. You would want people to be able to see and read each page of your documents.
9. When filling out the form for your business account, please fill out all * as your account will not go through.

A top-down view of a wooden desk. On the desk is a silver laptop, a green cup of coffee with a lemon slice, a newspaper with various articles like 'ATTITUDE', 'Organic Coffee', 'CAFE CULTURE', 'YOU CAN C...', 'COMMUNICATION', 'MARKETING', and 'EXPLORATION', and a tablet displaying a website layout. A pencil and some papers are also visible.

are not at the
right website

Where is the link to the “Global Family International Trade Bank”? that Anna references where we can click on “Already Recorded”

TACT/Anna Document: Successful Outcomes

Empower every assembly with the resources supporting successful outcomes when reconstructing Americas original government. Assemblies are driven and structured by committees.

Page 14...2) You go to the Global Family International Trade Bank page and sign up. Because most of us are already recorded, we use the “Already Recorded” button. (3) The only requirement is that you have reclaimed your natural and lawful political standing as a man or woman standing on the land and soil jurisdiction. Page 15 Those who have already recorded in either the LRO or LRS or who do so through the LRO in the future don’t have to record anything again. They just have to provide enough information to verify that they declared, recorded, and published.
