Pressing On

capo up 2 frets

I'm pressing onward with my Savior Running close behind my King
 Clinging to my only Refuge In His mercy will I sing
 Not going backward in the journey Only onward will I roam
 For my Shepherd knows the way I'm goin' home.
 Yes my Shepherd knows the way I'm goin' home.

rhythm

I'm the farthest one from perfect
 And my life is stained by shame
 Yet the Father has decided
 He's given me a better name
 So I won't ever think too highly
 Of whatever I've become
 And I'll never stop rejoicing
 In what He's done
 And I'll never stop rejoicing
 In what He's done

Not fond of riches nor importance
 Free from bitterness and strife
 Knowing Jesus every moment
 Is really living in this life
 And since I have a sure foundation
 The upward call of God in Christ
 I'll keep running for the finish
 Eternal life
 I'll keep running for the finish
 Eternal life

- closing refrain-

My Good Shepherd knows the way
 Home.
