

Westwood HS SunDancers

Welcome to the 2021-2022 Season!

The SunDancers have been off to a fabulous start of the year. They had a packed summer that included Officer camp, their annual Summer Dance camp held for the community, Line camp and mum making! Once the school year was about to kick off, they served breakfast for the teachers and performed at the annual Fish Bowl to welcome incoming students. By the end of August, the school year was in full swing with early practices, pep rallies and football games!

Summer/Fall 2021

Meet your 2021-2022 SunDancer Team!

Summer Spotlights

What's a Mum?

This time-honored Texas tradition of wearing a collection of ribbons, trinkets, flowers and more for Homecoming is not only a fun event for the students, it's a major fundraiser for SunDancers! In order to get ready to sell these mums to the student body, the SunDancers and parents put in a lot of hard work cutting materials, assembling, and gluing a variety of options to sell. All of this takes place over the summer during marathon mum-making sessions. Huge thanks to the dancers and parents who dedicated so much to making this fundraiser a huge success that surpassed our expectations this year!

Teacher Breakfast

As the teachers prepare to head back into the classroom, the SunDancers and parents worked to prepare a breakfast spread to welcome and thank them. Thanks for serving our teachers SunDancers!

Let's Celebrate...Football Season!

Football Performances

The SunDancer team put all of their practices and training to work on the field at football games this season. They worked hard and had a blast, including on those special nights when guests joined them on the field!

Game Day Meals & Senior Night

The SunDancer team gets ready for football game performances by fueling up with great food. After a long day at school, the girls look forward to sitting down with each other and taking a quick breather while they enjoy catered dinners. On October 29th the Seniors were honored with a night dedicated just to them, kicking off with a special meal.

Homecoming

The week of Homecoming was a whirlwind week full of mums, a parade, a pep rally, and performing with Warrior Parade. The SunDancers were so thrilled to participate in every activity this year!
