## Contest Season

### Austin Classic

The Westwood SunDancers kicked off their contest season by hosting and performing in the Austin Classic at Westwood High School. The girls got to perform their dances while also acting as hosts - turning classrooms into dressing rooms, making signs, setting up the concession stand and even working at various stations on contest day. The Directors and booster club members also put in countless hours to prepare for and run the big event. All were thrilled to call the day a huge success and major fundraiser!

### Vista Ridge Dance Championship

The SunDancers wrapped up contest season with spectacular performances and huge wins at the VRDC, including being named Grand Champions. Congratulations SunDancers!
