

## JagCoin Buyer's Guide: How to Buy \$JAGCOIN

Welcome to the pack. Ready to join the JagCoin movement? Follow these simple steps to get your paws on \$JAGCOIN:

### Step 1: Set Up a Solana Wallet

You'll need a wallet that supports the Solana blockchain.

Recommended Wallets:

- Phantom Wallet: <https://phantom.app/>
- Solflare: <https://solflare.com/>

Create your wallet and securely store your recovery phrase.

### Step 2: Buy SOL (Solana)

\$JAGCOIN runs on the Solana network, so you'll need SOL to make the purchase.

How to buy SOL:

- Use exchanges like Coinbase, Binance, Kraken, or KuCoin
- Buy SOL and send it to your Solana wallet address

### Step 3: Go to the Official JagCoin Pump.fun Page

To buy JagCoin directly, go to the official pump.fun page:

<https://pump.fun/board/BvcejYhuNSqELkehRjRK4sXjjq8X6sEY3qmWv7wT>

Make sure your wallet is connected before proceeding.

#### Step 4: Buy \$JAGCOIN

Once your wallet is connected:

1. Choose how much SOL you want to spend
2. Click "Buy"
3. Approve the transaction in your wallet

You'll see your \$JAGCOIN in your wallet shortly after!
