Dear Chloe:

It is with great pleasure that I write to congratulate you on your scholastic performance during the first semester of the 2022-2023 academic year. Your achievements have merited your being named to the Dean's List of the College of Arts and Sciences.

In the tradition of Jesuit higher education, the College of Arts and Sciences of Loyola University Chicago is dedicated to excellence in undergraduate education. An achievement like yours is a concrete demonstration of that excellence, as well as a most satisfying reward for the efforts that you and your family have undoubtedly put into your education.

You may want to share this achievement with your local or community newspaper. The best way to do this is to call the news desk of your local paper and offer to fax or mail a copy of the notification letter. You should also be prepared to provide the local or community press with a photograph. If your paper needs further verification, instruct them to call the Dean's Office, College of Arts and Sciences, at (773) 508-3500.

Congratulations again on an outstanding Fall 2022 semester!

Sincerely,

Peter J. Schraeder ([pschrae@luc.edu](mailto:pschrae@luc.edu))
