Baox Berry Flower Strain: *Hybrid*

A cross between Boax and Berry Blossom, this hybrid is a well-balanced full spectrum blend. Boax has a sweet, almost fruity taste that is combined with Berry Blossom's distinct taste that's reminiscent of acai. **Relaxation. Stress Relief. Inflammation. Insomnia.**

Gram : \$10.00

3.5G : \$20.00

7G : \$30.00

CBG White Flower Strain: *Indica Dominant*

The White CBG strain was converted to a pure CBG chemotype from one of the superstars of cannabinoid production The White strain. Recommended for nighttime use. Acts as a low-affinity antagonist at the CB1 receptor. Boasts an earthy, peppery, and lemon cream aroma. **Relaxation. Insomnia. Inflammation.**

Gram : \$20.00

3.5G : \$30.00

7G : \$45.00

Hawaiian Haze Flower Strain: *Sativa Dominant*

Uplifting and elevating, Hawaiian Haze is the perfect companion for any social event or daytime motivation. Variable effects are noted in that if you smoke a small amount, you get more energetic effects, while if you smoke a larger amount, you get a softer or drowsier feeling. Highly reminiscent of tropical fruits like pineapples and mangoes. **Pain relief. Stress relief. Relaxation. Inflammation.**

Gram : \$15.00

3.5G : \$25.00

7G : \$40.00

Lifter Flower Strain: *Indica Dominant*

Lifter is a staple in the hemp flower world, being one of the first highly sought-after genetics with high CBD. Users can expect a gentle cerebral focus and energy with an ongoing body relaxation that assists with aches and pains. Lifter is earthy and resembles a tropical fruit with a hint of blueberries. **Pain relief. Stress relief.**

Gram : \$15.00

3.5G : \$25.00

7G : \$40.00
