### **MONTHLY LAW READING – Grand Lodge Annual Communication**

As we approach that wonderful time of year when we all gather in Waco in fellowship and to conduct the business of our Grand Lodge, let us open our law books to Article 2 to ponder on what the law book says about our Annual Communication.

**Art. 2: Annual Communication** – This Grand Lodge shall meet in Annual Communication in the City of Waco at 1:30 p.m. on the Thursday before the third Friday in January, unless the Grand Master and the majority of the Grand Lodge Trustees consider and declare the Grand Lodge shall meet in Grand Annual Communication in another designated location at 1:30 p.m. on the Thursday before the third Friday of that January, however, no business requiring reports of Committees, balloting or voting by the membership of Grand Lodge shall be conducted until the Grand Lodge is called to labor at 9:00 a.m. on the third Friday of that January, and while in session for the transaction of business, no Constituent Lodge owing obedience to it shall hold any meeting either Stated or Called for any purpose except for funerals as provided in Article 359 or for valid emergencies approved by the Grand Master. (Revised 2015)

In the event of a severe emergency, the Grand Master and the Grand Lodge Trustees may specify the labors of a Grand Annual Communication to be transacted in a Special Communication of the Grand Lodge under conditions enumerated in Article VI, Section 3, sub-section (b), of the Constitution. (Revised 1997)

To defray the expenses incurred in holding such regular or special called communication of the Grand Lodge, each Member of Grand Lodge as herein defined, each Lodge Representative and each Master Mason of a Texas Lodge must pay a twenty-five dollar (\$25.00) registration fee to attend an annual or called meeting of the Grand Lodge of Texas. (Revised 2017)– Jeremy R. Johnson, PM

### MEMBER PROFESSIONS

Members come into Masonry from a wide range of professions. Figure 1 shows the top several professions of our current members as listed in Grandview. I’ve broken it down into new members (those raised within the last two years) shown in blue and our lifelong members (those who have been members for over 20 years) shown in orange. Two things jump out looking at this graph: 1) that we have more members in law enforcement than in any other profession, and 2) that while the blue bars of new member professions are fairly evenly distributed across this list, the percentages for these professions grow greatly when you look at the older members. A little bit of this might be a change in who joined in the past compared to who is joining now. Law enforcement continues to be a source for many of our new Masons, but it also had a significant bump 13-25 years ago. Another important factor is attenuation and profession changes. We don’t have any 20yr Masons whose current profession is “student.” “Food service” and “laborer” professions also greatly diminish with age. On the other hand, our percentage of accountants/finance, machinists, and ministers increases with Masonic age.

Figure 1. Current Member Listed Professions

The list of professions shown in Figure 1 likely will not surprise many of us. Before seeing the data, if you were asked to list Mason’s top professions, you’d of probably listed most of these. If you included doctors and lawyers, fear not. They’re right behind these on the list. These are all respectable professions in the community.

Originally published in May of 2025, the Adopt-A-Highway initiative led by the brothers of El Paso continues to thrive and make a visible impact on the community.

Under the continued leadership of R.:W.: Saad “Shake N Bake” Sheikh, and with the dedicated assistance of the brethren of District 60—particularly the Far West El Paso Masons—the program remains strong and active. The commitment to maintaining a clean and welcoming 4-miles of Highway 54 (2-miles in each direction) in El Paso is being upheld exactly as envisioned, with regular cleanup efforts and strong participation from the local brethren.

A highlight of this ongoing effort took place in November 2025, when the Grand Master, Raborn L Reader Jr, was in El Paso for his Grand Master’s Conference. Rather than simply observing from the sidelines, the Grand Master and his entire team rolled up their sleeves and joined the brothers of District 60 on Saturday morning, November 22nd, to help clean up the 2-mile stretch of Highway 54 (the teams were split in two that way each team got a 2-mile stretch).

What followed was not just productive work, but meaningful fellowship. Brothers labored side by side with the Grand Master and his team—taking care of business while enjoying the camaraderie that defines Freemasonry at its best. From the Grand Master to the newest Entered Apprentice, all met upon the level, united in service to the community.

This moment perfectly captured what makes Masonry special: leadership by example, humility in service, and a shared commitment to making a positive difference. Well done to the El Paso brethren of District 60 for keeping this initiative strong and for setting a standard that others can proudly follow.

## **NO MASON LEFT BEHIND PROJECT HELPS TEXAS MAONS & LOVED ONES**

Your donation to the [No Mason Left Behind Project](#) helps older Texas Masons in need and their eligible loved ones move to a cozy private apartment at Texas Masonic Retirement Community. All meals, activities, medical care, and more are provided at no charge.

Here are stories of Texas Masons and their loved ones helped every day by your donations:

- Joe had multiple strokes that caused problems with talking and memory issues. He had to stop driving. When Joe's medical problems overwhelmed him, his years as a dedicated Mason allowed him to move to TMRC.
- Francis, age 95, moved to TMRC when a friend in Eastern Star took her aside and said it was time to move to a place where she could get the help she needed. Nearly blind, dependent on a walker, and needing help with daily life, Francis can live at TMRC because her grandfather, father, and husband were all Masons.
- George, age 81, an active Mason for decades, now lives at TMRC and gets help with rheumatoid arthritis. Some days the pain won't let up. The staff provides pain management, plus he no longer worries about making doctor's appointments, getting to the doctor, or having prescriptions filled. He does not feel like a burden to his family anymore.

### **SECRETARY INSTRUCTIONS**

The following information is intended primarily for the Secretary but may be meaningful to many of your members.

**Lodge Suspense System:**

Suspense Dates – Lodge Secretaries should create a suspense system (a reminder system) to alert the Lodge that certain documents are due. This list is offered as a “starter kit” for your consideration:

- a.** January – The Worshipful Master should appoint a Committee on Members in Arrears (Article 319a).
- b.** May 31 – W. B. and Brandon Carrell Award nominations may be submitted to the Grand Lodge Committee on Public Education for evaluation and recommendation to the Grand Lodge Trustees (Article 14b).
- c.** Mid-June – Look for the Annual Returns Format from GL. (Downloaded from the Grand View System after June 24th. Notify the GS staff if you need the returns mailed as a printout).
- d.** June 23 – Lodge elections must be completed at the last stated meeting prior to midnight of June 23 (Art. 292). Notify us of the new Lodge Officers immediately so they can be printed in the Directory of Constituent Lodges (do not wait for installation). Submission will be available on the Grand View System from May 24 through midnight June 23.
- e.** June 23 – Endowed Membership checks must be in the Office of the Grand Secretary by June 23 to start earning interest in order to receive returns by the next year (Art. 318a). Changes to the amount of endowments must be voted on at the same meeting as the Lodge elections, and notification to the Grand Lodge must be before June 24th. Endowed Membership applications received at the Grand Lodge on or after June 24 must be for the amount that the Lodge reported.
- f.** July 15 – Statements of Availability due GS Office. (6a).
- g.** July 31 – Lodge installations must be performed from June 24 to prior to midnight July 31 (Art. 298).

- j.** August 30 – Vanguard Applications are due to the DDGM electronically no later than August 30 and to the Committee on Masonic Education electronically via [cme@grandlodgeoftx.org](mailto:cme@grandlodgeoftx.org) (refer to Vanguard Application Instructions).
- k.** September 15 – Lodge Minimum Audit Report 71 is due to the GS Office NLT September 15 (Art. 284).
- l.** October 1 – Lodge By-Laws that must be reviewed by the GL Committee on By-Laws due the GS Office NLT October 1 (Art. 219).
- m.** Nov 15 – Form 990-N, Electronic Notice (e-Postcard), must be filed with the IRS by Lodges that have gross receipts of \$50,000 or less or do not meet the requirements for filing the IRS 990 or IRS 990EZ. (Lodges must file the appropriate Form 990 no later than the 15th day of the fifth month following the close of the organization’s fiscal year.)
- n.** Dec. 28 – Proxy Certificates are due the GS Office NLT December 28 (Art. 4). You should always appoint a Proxy (in case of an emergency) but he would not vote if any of the top three officers were available. Remember, each brother can have no more than four votes. Therefore, a sitting Worshipful Master or Warden cannot be a proxy for another Lodge.
