CEM, CESSWI, LEED AP
1779 Olympia Drive Las Vegas, NV 89123
cstowers@cox.net 702/480-9979

Core Competencies

Our company prepares Stormwater Pollution Prevention Plans (SWPPP), groundwater, air quality permit applications, and conducts environmental regulatory compliance related inspections and training sessions for our select commercial construction clients. ~A successful business model since 2005.

Past Performance	Differentiators
<p>Preparation of hundreds of SWPPP and conducted weekly and post/storm event inspections for large and highly visible commercial clients including:</p> <ul style="list-style-type: none"> • Caesars Meeting Rooms (PENTA Bldg Gp) • MSG Sphere LV Music Venue (AECOM/MSG) • World Market Center (PENTA Bldg Gp) • Aliante Station Hotel/Casino (PENTA Bldg Gp) • Gemini Solar Facility (Kiewit) • Grandview Timeshares (PENTA Bldg Gp) • Nevada Energy Reid Gardner Station • Silver State Materials/Cement • Elko Community Building (American SW Electric) • UNLV Medical Education Bldg (MJ Dean) • Via Inspirada Police Station (PENTA Bldg Gp) • Carlsbad Caverns (Kiewit) 	<ul style="list-style-type: none"> • Developed the stormwater regulatory compliance program for Southern Nevada while employed by Clark County • Personal relationships with the regulatory community • Commercial construction focus since inception • Turnkey service with flat fees for simple cost estimations • Experience with air, water & waste facets of the environmental realm: Dust, Stationary Source, NPDES, SWPPP, SPCC, 208 planning, LID/Green Building, Asbestos, Phase I/II ESA, Mold, PCB, Hazardous Waste, Spill Response • Featured environmental trainer for AGC, public and private clients.

Company Data	Pertinent Codes
<p>Prior to starting her own company, Ms. Stowers worked at Nevada Power Company, the Nevada Test Site, and Clark County where she implemented the local stormwater program in conjunction with NDEP that is currently used. She trained the public through numerous outlets including the AGC, and the local enforcement agents on the elements of the program. Her work since 2005 has been primarily focused on the commercial construction industry helping build many of the structures that line today's Las Vegas Strip build cleaners and greener. Since that time, her team has grown to assist clients with all aspects of the environmental regulatory compliance realm.</p>	<ul style="list-style-type: none"> • Certified Environmental Manager (CEM) #1635 • Leadership in Environment and Energy Design Accredited Professional (LEED AP) • Certified Erosion, Sediment and Stormwater Inspector (CESSWI) • DOT Water Pollution Control Manager (WPCM) • Disadvantaged Business Enterprise (DBE) NV202353936NUCP • RiSE Certified • DUNS 197979102 • NAICS 541620 Environmental Consulting • NAICS 562910 Environmental Remediation • NAICS 924110 Admin of Air & Water Resource & Solid Waste Management Programs
