

Thank you to all that donated and supported us in 2020. Family Matters could not accomplish all that we do without the support of the people in our community!

---

## COVID19

Salvation Army in Posey County obtained funds to provide emergency assistance to families who lost jobs due to the COVID19 outbreak. So far, we have helped nine families with utility or rent assistance. If you know a family or

Individual who has been directly affected, and needs help, please have them call us!

DOING THE MOST GOOD

---

### By the numbers. . .

So far in 2020, Family Matters has

- ◆ answered questions and/or made referrals to over 900 families
- ◆ provided safe sleep education with Pack 'N Play cribs to ten families
- ◆ distributed nearly 400 back packs filled with school supplies
- ◆ coordinated the distribution of more than 5,600 boxes of food items
- ◆ attended MANY Zoom meetings!

We are open for business!

---

### Safe sleep education kits

The Indian State Department of Health helps provide safe sleep education and Infant Survival Kits for parents in Indiana who do not have a safe place for their infants to sleep. Infants sleep safest when they are on their backs, alone, and in a separate safe sleep environment. If you need a safe place for your infant to sleep and to educate yourself about safe sleep, as well receive assistance with getting a crib please contact Family Matters to schedule an appointment (812-838-6875)
