

Openings in Steel

Amarr® Residential Garage Doors

AMARR CONSTRUCTION

Amarr steel garage doors are built with low-maintenance, heavy-duty steel. Choose from single, double, triple or four-layer construction for your desired level of energy efficiency and noise control. Experience the strength, security, and peace of mind you get with steel.

Openings in Steel. Express your style in steel. Amarr garage doors make it happen.

Exceptional performance, low maintenance and durability, available in seven steel collections.

From classic carriage house designs to contemporary flush panels,

get a striking look that stands the test of time.

- Environmentally safe polystyrene thermal insulation
- Energy efficient
- Extra quiet operation

Amarr Carriage Court Fairfield design with Closed Square in True White/White with Alpine decorative handles

CLASSICA® FLUSH

Sleek and sophisticated. Amarr Classica Flush garage doors complement any modern architectural style home.

The flush design is ideal for homeowners who want a contemporary look with the taller panels of a 3-section door. Polyurethane insulation is energy efficient and helps moderate garage temperatures year round.

Designs

Unique three-section tall door with large windows allow maximum natural lighting.

See page 25 for complete specifications.

Northampton design with Madeira windows in Walnut with Canterbury handles and hinges

CLASSICA®

Looks can be deceiving. From a distance, you see wood. Up close, it's sturdy, durable, low-maintenance steel.

The Amarr Classica collection of carriage house doors. Precision-shaped doors in fresh, clean, classic carriage

house styles that go up and down like traditional garage doors. Three-section tall designs, instead of four,

help deliver a more authentic carriage house look. Deception never looked so good.

Santiago design with Madeira windows in True White/Gray with Blue Ridge handles and hinges

Designs

Unique three-section tall carriage house style doors available in seven stamped-steel panel designs.

See page 25 for complete specifications.
