

It's Ethan's 18th Birthday and Luis (Ethan's older brother) walks into his room and gives him a sealed Birthday card.

LUIS
Happy Birthday.

Ethan opens the card. The outside of the card says Happy 18th Birthday and it says "Thanks for being the coolest and dumbest little brother. You have a good heart! Don't forget to protect it sometimes. Remember, the finest things in life are weird. Like you! Love you little brother! Go Red Sox! - Luis."

ETHAN
Thank you.
(Beat)
I don't know about the last part.

LUIS
It's something I don't say often...

ETHAN
(quick)
No, the Red Sox.

LUIS
(light laugh)
You like that!
(beat)
Oh... I got you something else.

Luis tosses Ethan a wrapped gift. Ethan opens it. It's a 2018 Topps Chrome hanger pack.

ETHAN
No way! They ran out when I was there.

LUIS
I know the restock guy at Target.
Rip that thing man!

Ethan rips the packs and on the last pack he sees a shiny prism card. You can see an Angels logo on it.

LUIS (CONT'D)
Probably not Ohtani.

ETHAN
Or maybe it is.

Ethan slowly reveals it's an Ohtani prism rookie
