I acknowledge that I will not be eligible to sponsor new members until I have been a member myself for twelve (12) months. I also acknowledge that I will be obligated to pay all assessments that are approved and levied by the voting membership.

The club has a mandatory eight (8) hour per year work requirement for all regular members. New members work requirement will be pro-rated at 45 minutes times the number of months remaining from the date of acceptance to 31 October of the current year. Failure to meet this obligation will result in a \$15 per hour assessment for every hour less than the number required. This assessment will be billed annually when dues notices are sent out.
