Open Skeet Shooting: Come join us for an evening of fun and skeet shooting on the first Thursday of every month at about 5:30 PM, weather permitting. Never shot before? No problem! We will let you borrow one of our shotguns. We will shoot under the lights! Please bring hearing protection, eye protection, and a box or two (depending on how much you want to shoot!!!!) of 12 gauge or 20 gauge shotgun shells ~ whichever you prefer! We hope to see you there!!! During the months of January, February and March we encourage you to email robbiewife@aol.com by mid-day on the first Thursday to see if Mike & Sunnie Robinson will be opening the skeet houses (we are not foul-weather-skeet-shooters!!!!). Members who've been trained & issued keys may certainly shoot.

Work Hours Opportunity! We need a new door on the trap house at the Griswold Range. If you have basic carpentry skills and would like to earn work hours for a much-needed project, please email Mike & Sunnie Robinson at robbiewife@aol.com. The Club will pay for materials.
