TO WHOM IT MAY CONCERN

From: Steven G. Harris

RE: Whittney Clark

I have known Whittney personally for about five years, primarily on a personal basis but also with limited professional interaction.

Whittney is bright, articulate and motivated. It is my opinion that given the opportunity Whittney would be fully engaged in her work and an asset to her employer.

Please feel free to contact me should you have any questions.

Sincerely,

Steven G. Harris
