ELITE MED LISTINGS INC

"Close more patients in less time"

July, 2018

To whom it may concern,

I'm writing to recommend Whittney Clark as a managerial candidate. I've had the opportunity to work with Whittney for the past couple of years at Elite Med Listings. I have been consistently impressed with her diligence, efficiency, and ability to get things done.

Most recently, Whittney has worked for me directly as a Practice Development Representative in our main office. In this role, she performed many practice marketing tasks in addition to onboarding new customers. As a start-up company, she was instrumental in sharing our vision with new practices and organizing practice events.

I believe that Whittney would be an excellent addition to your managerial team. I have been consistently impressed with her organizational skills and grace under extreme pressure. In our industry, every position is a customer service position. Whittney continually seeks to learn more about our products and programs so that she can help serve our clients and mitigate issues as they occur. She's also a quick learner and an excellent teacher and coach.

I strongly recommend Whittney for a managerial position. She's organized, detail-oriented, capable, and committed to the success of others. She will make an excellent addition to your team.

Please feel free to contact me at 1-888-884-0368 if you have any questions.

Sincerely,

Patrice Patterson
VP of Practice Communications
