Hytera 5-inch HD screen PoC radio

PNC550 is a smart POC radio integrating smart phone and professional Push-to-talk function over cellular.

5-inch HD Multi-touch Display

5-inch multi-touch Gorilla Glass display with 1280x720 WVGA resolution, it can be used outdoor in direct sunlight. Wet and glove operation is also supported to fit for multiple scenarios.

Loud and Clear Voice Quality

With advanced AI-based noise reduction technology, dual mic noise reduction technology and the powerful voice recognition function, human voice in noisy environment can be extracted effectively. Built-in 1W (up to 2W) speaker provides loud and clear audio quality for versatile voice service.

Professional Design

Matte texture, lightweight (<250g) and compact body (14mm thickness), dedicated PTT and emergency button on one side, make PNC550 easy to operate with one hand.

Rugged and Compact Design

With exquisite structural technology, IP68, military standard (MIL-STD-810 G), 1.2m drop-proof design, PNC550 has no fear for kinds of harsh environments.

High Capacity Battery and Fast Charge

PNC550 features a 4000mAh removable battery to satisfy the long-hour work requirement. It supports 2A fast charge, and can be charged by desktop charger and USB.

HD Camera

The PNC550 is equipped with 13MP rear camera and 8MP front camera. The HD cameras with optical image stabilization make PNC550 clearly grasp every details of the scene, even in an emergency, so as to meet customer's various requirements.

Dual Sim

PNC550 supports dual-card dual-standby, which makes it not only a PoC(PTT over Cellular) terminal, but also a smartphone. Based on 2G/3G/4G/WLAN, the coverage of communication can be extremely large and wide.

NFC Function

Built-in NFC module provides NFC related functions such as information query, authentication, identification inspection and so on.

Inclusive System

Integrated with Intelligent system, PNC550 provides higher compatibility and security performance. Multiple applications can run on it. Open API and SDK allow third party developing customized applications.

PoC Solution

Hytera provides a comprehensive PoC solution, including terminal, PoC APP, PoC platform, management and dispatch systems. PNC550 can implement versatile voice, video and data services over the public network. The dedicated PTT design makes it easy to initiate instant call anytime and anywhere.

Unified Management Platform

Smart MDM provides unified management of PNC550. It supports firmware upgrade, APP push and installation remotely. It can also manage the authority of users. SmartMDM supports authentication and data encryption.
