

2021 Volunteer Sign Up

Heidi Owen West is running a grassroots campaign to ensure that your views are represented on the City Council. Heidi's ideas will make a difference, but we need your help to get our message out to voters in the city.

There are a variety of tasks volunteers will perform to lead us to victory on Election Day. Please review the list of activities below and check off all that interest you. The Heidi For Mayor campaign will then contact you to discuss your role in this important effort.

Heidi thanks you for your active involvement in this campaign and looks forward to working with you.
