# Giggling Geisha

## *Junmai Ginjo* Premium Sake

Brewed by Kiyosuzakura Brewery Corp. est. 1853

Giggling Geisha is much more than a fun, provocative, memorable name and label. Giggling Geisha is Junmai Ginjo, Japan's highest quality, most respected sake style. Only 2.6% of all Japanese sakes reach this premium rank. Giggling Geisha's inherent quality begins with its slightly floral nose. It pours crystal clear, with a delightfully crisp and dry taste. Giggling Geisha's complexity is immediate, flavorful, light, dry and fruity with a well-balanced, traditional Junmai Ginjo finish.

Serve premium sakes, like *Giggling Geisha*, chilled in a traditional Ochoko, or white wine glass to optimize the sake's aroma and flavors.
