\*No need to report cards during pre-season to Al; however, all red cards must be submitted to PIAA. Double dual system discussed. Eye contact, subtle signals, mirror signals, stay to left of ball whenever possible, try to be 20 yards away from play, attempt to move at same pace as play, create a good angle of vision to see light between players, don't go into wide channels unless a problem, anticipate and "read" the play, never be flat footed and always try to keep moving. The center circle and penalty arc are "transit zones". Check nets during pre-game walk. Positioning discussed. Game reports are on BCSOA.org
