Bill Snyder and his wife Jean setup EOS booth at the Linn County Master Gardeners' Winter Garden Fair at Kirkwood's Hiawatha Campus. The club provided information on growing orchids; plus, we had miniature phalaenopsis for sale at \$10 each and some potting bark mix. Thanks to the Snyders.

## PRESIDENT'S BLURB:

February was a busy month for our club. We had two lovely displays at regional orchid shows and had a booth at the Kirkwood Winter Gardeners' Fair. Two of our members received new AOS awards and the club received a donations of pots, plants and orchid stands from David Mohre. He and his wife are moving to the Middle East and could not take orchids with them.. Sadly, we lost a club member, Irene Leeson, mid month (photo on back page).

**PLEASE NOTE OUR MARCH MONTHLY MEETING DATE HAS MOVED TO 3/12/20.** We still meet at the church usual time. The program will be a workshop on how to properly present orchids in bloom and then classify them for an

## Cold! Batavia Orchid Show *A Love Fest!*

The theme was 'Love' and we all needed it to keep warm. At setup, outside it was in the single digits. All the plants were covered and survived the trip fine. The exhibit was in the corner with our 'old standby' trees and hearts as accents. We received 26 ribbons for 51 plants (not bad shooting percentage in basketball). Bill Page's spider, Brat. Kauai's Choice 'Tropical fragrance' AM/AOS at left and Andy's big Paph Hellas 'Westonbirt' x Kinzua 'Bufo' above left. We do have fun at these away shows. Putting the display together takes about 2 hours. We welcome any newcomers that would like to participate!

exhibit. The meeting date is the Thursday before we leave for the Illinois Orchid Show the next day at the Chicago Botanical Gardens. This is a perfect time for members to bring plants they would like to exhibit at the show. We might even pretend judging the ones present. Our April meeting will again be on the first Thursday and we have a guest speaker, Cheryl Erins, an AOS judge and excellent grower. She will talk about growing orchids under lights. We might entice her to show some pics of the World Orchid Congress in Taiwan which she (hopefully) will have just returned from.

**A couple business items:** Annual dues (\$20 single, \$30 couples) are now due. Several have already paid. Thank you!. Also, we need volunteers for leadership positions in the club. A new vice-president is needed. Please contact Andy Coghill-Behrends if you are interested. We need helpers to setup the Illinois Show in Chicago March 13-15 and especially for the Illowa Show at the Quad Cities Botanical Garden in Rock Island March 20-22. This is close by and usually at lot of fun! NILE

**Irene Rose Leeson** passed away on Friday, Feb. 14th. She joined the Eastern Iowa Orchid Club after attending our 2018 orchid show. She was an avid gardener and especially enjoyed her potted plants of which many were orchids. Her memorial service was held Feb. 22nd at Murdock Funeral Home. Her husband, John, and family requested that in lieu of flowers, donations in memory of Irene be made to the Eastern Iowa Orchid Society or a charity of choice. We will miss Irene and will assist the family with care of her orchids as they wish. NILE DUSDIEKER
