SENIOR SERIES

5 events | Men & Women | Best 4 of 5 events count toward the individual championship

WHO CAN COMPETE

• Men and Women compete in separate Senior Series divisions.

• Categories: Overall, 19–23, 24–29, 30–39, 40–49, 50–59, 60+, and Single Speed.

• Age-group eligibility uses each rider’s age as of April 1, 2027.

HOW SENIOR POINTS WORK

• Enter a designated Primary or Secondary distance listed below to earn Senior Series points.

• Official gun finish times determine category placing and points earned.

• Primary races have a 40-point maximum; Secondary races have a 20- or 25-point maximum, depending on the event.

• Standings update after each race; a rider’s best 4 of 5 event scores count toward the individual season championship.

• Each category awards three season podium places for Men and Women.

2027 SENIOR SERIES: WHICH DISTANCE TO ENTER

Event	Primary (40 pts max)	Secondary
Flint Hills Gravel	85 miles	120 miles · 25 pts
Open Range	120 miles	65 miles · 20 pts
Muleskinner	65 miles	Not offered
Rock Ridge Gravel	75 miles	150 miles · 25 pts
Pony Express	120 miles	65 miles · 20 pts

Only the designated distances shown above earn Senior Series points. Primary is not necessarily the longest distance.

JUNIOR SERIES

5 events | U18 Boys & Girls | Best 4 of 5 events count toward the individual championship

WHO CAN COMPETE

- Open to U18 riders, with age determined as of April 1, 2027.
- Boys and Girls compete in separate Junior Series divisions.
- The Junior Series standings and championship are separate from the Senior Series.

HOW JUNIOR POINTS WORK

- Register for the designated Junior Primary or Junior Secondary distance listed below.
- Official finish times determine category placing and event points.
- Junior Primary offers up to 40 points, while Junior Secondary offers up to 20 points.
- Junior standings update after each event. A rider’s best 4 of 5 event scores count toward the Junior championship.
- Boys and Girls each have a three-place season podium.

2027 JUNIOR SERIES: WHICH DISTANCE TO ENTER

Event	Junior Primary (40 pts)	Junior Secondary (20 pts)
Flint Hills Gravel	85 miles	40 miles
Open Range	65 miles	35 miles
Muleskinner	65 miles	35 miles
Rock Ridge Gravel	75 miles	40 miles
Pony Express	65 miles	35 miles

Both Junior distances award points toward the same Junior Series championship.

TEAM POINTS COMPETITION

5 events | Teams of 4–5 riders | Best four rider scores count at each event

Grab some friends, create a team, and chase the Cup!

TEAM REGISTRATION

• Teams consist of 4–5 riders. Register all team members through the Team Signup link on the GPGC website.

• Enter the exact team name and each rider’s exact race-registration name so event results can be matched correctly.

• Team jerseys are optional but encouraged.

• The Team Points Competition is a Senior GPGC Series competition only.

TEAM ROSTER LOCK

• Register the full 4–5 rider roster before the season begins.

• No substitutions or replacement riders are permitted once the season starts.

• The fifth registered rider provides flexibility if a teammate misses a race; a rider absent from an event contributes no points.

HOW THE SCORING WORKS

• The Team Points Competition is a separate GPGC racing category, like Single Speed or an age group.

• Registered team riders are ranked by official finish time within their designated Primary or Secondary distance; these distances are ranked separately.

• Team Category points follow the event’s configured point maximum: 40 for Primary, and 20 or 25 for Secondary where offered.

• Only the four highest individual Team Category point scores from each team count toward that event’s total. A fifth rider still earns points, but the lowest score is excluded from the team event total.

• All five events count toward the Team Championship. There are no dropped team events; team standings update after each race.

FIVE 2027 SERIES EVENTS

Flint Hills Gravel • Open Range • Muleskinner • Rock Ridge Gravel • Pony Express

TEAM SCORING EXAMPLE & TIE-BREAKERS

Illustrative Raiders vs. KCChop example | Fictional results, not actual race standings

FOUR RIDERS CAN BEAT FIVE

Example: all nine riders are in a 40-point Primary Team Category finish order. Only the best four scores per team contribute to its event total.

Team Raiders · 4 riders	Team KCChop · 5 riders
40 · counts	39 · counts
38 · counts	37 · counts
36 · counts	35 · counts
34 · counts	33 · counts
—	32 · earned, but dropped
TOTAL: 148	TOTAL: 144

Raiders win this fictional event by 4 points. KCChop’s fifth rider earns Team Category points, but their lowest score is not included in that event’s team total.

CHAMPIONSHIP TIE-BREAKERS

• First: Compare each tied team’s highest individual rider season Team Category point total. The team with the higher top-rider total wins.

• Second: If the top-rider totals tie, add each team’s two highest individual season Team Category point totals. The higher combined total wins.

Example: Both teams finish with 720 team championship points. Their highest-scoring riders each have 185 points. The Raiders’ top two score 185 + 170 = 355, while KCChop’s top two score 185 + 165 = 350. Raiders win the tie-breaker.

Rule still to be determined: A further tie-breaker is needed if both teams remain tied after the second comparison.
