We reserve the right to change these Terms and Conditions from time to time. Terms and Conditions are liable to change without notice. These Terms and Conditions are governed by and to be interpreted in accordance with Australian Law. We welcome your feedback and any suggestions on how we could improve this website for ease of use. About Us:

We are a cold climate nursery based in Goulburn NSW. Plants available to order via the website are all tubestock plants in pots ranging from 42mm to 50mm. Larger and more advanced plants are available but are not listed on the website. Please contact us or visit the nursery to find out availability of larger stock items. Our landscape plants are exposed to the elements to acclimatise and where we do not grow ourselves we source our plants from other cold climate nurseries with proven genetics of successful survival in our often harsh growing environment.

Visits to the Nursery:

From May to August we operate as an Appointment Only Nursery – please contact via phone on 1800 966 222 or Mob: 0458 49 49 23 or via email – shambhalanursery@hotmail.com or via the website to make an appointment time.

Stock Availability:

Stock availability may vary from season to season. If an item is marked 'Out of Stock' please enquire through the website or give us a call as to when it may be available again. Due to plants being living products and have natural variations, we aim to ensure that photographs are representative of the plants available. Plants may grow to a different height as indicated depending on positioning, climate, general weather conditions, soil type, fertilising and care. Images of mature plants are as a guide only. We endeavour to make sure that plants listed are currently in stock and that the pricing is true and correct. The plants listed on this website are subject to availability and seasonal fluctuations and may be withdrawn at any time.

Customer Service Policy:

We are committed to providing exceptional customer service. If you have any concerns, please do not hesitate to contact us.
