

# Infant Care and Learning

This is much more than just daycare. Babies feel safe, secure, and happy in this classroom designed for 6 weeks to 14 months. Warm, caring teachers' bond and develop trust with children. Infants have a loving caregiver, your main point of contact, to guide your child's development.

## **In this program, children are provided with:**

- Nurturing classroom environments
- Educational toys and stimulating activities
- Exclusive milestone-based curriculum
- Immersive learning experiences

Our classroom offers a warm, secure location where infants receive personal, individualized attention and care. The stimulating classroom environment helps a foundation for later learning.

- **Cozy Area**  
Reading books, telling stories and having conversations; music soothes for restime
- **Exploration Area**  
Manipulation objects and interacting with materials.
- **Movement Area**  
Exploring balance, coordination, gross motor skills.
