

ERYRI Ramblers

January 2020 v2

Mobile friendly website

Our www.eryriramblers.org website is mobile friendly - walks can be easily booked as if it was an app:-

Enter eryriramblers.org/walks into your phone search box, give it a few seconds to pull the data off the server and you can book directly.

Chrome and Firefox browsers permit websites to be pinned to your home screen like an app:

Chrome

Firefox

Note: The three menu bars (top left) show the Walks page

Useful BBC, Metoffice and XC weather website URL's for your PC and mobile:

<https://www.metoffice.gov.uk/public/weather/forecast/map#?map=CloudAndRain&zoom=6&lon=-4.00&lat=53.83&fcTime=1563332400>

<https://www.metoffice.gov.uk/weather/specialist-forecasts/mountain/snowdonia#?date=2020-12-14>

<https://www.mwis.org.uk/forecasts/english-and-welsh/snowdonia-national-park>

<https://www.bbc.co.uk/weather/> ('ve found the BBC less accurate since they dropped the Met Office

<https://www.xcweather.co.uk/forecast/> - good for wind - less good for rain
