

Volleyball

Coach: Kelsey Nabors kelsey.nabors@spartanburgprep.org

Spartanburg Prep School offers Volleyball to young lady athletes from rising sixth grade to eighth grade to participate. The program is for any athlete ranging from beginner level to an advanced level. The Lady Jaguars compete in the Carolina Middle School Conference.

Every year one player from the team who displays hard work and integrity is awarded All-Conference Player of the Year. Participation in an Upward Volleyball Academy is highly encouraged of every athlete. Academies give the athletes more exposure to the sport and offer skill-related workshops. Every year a tryout is held for an equal opportunity to become a lady jaguar volleyball player. GO JAGS!
