ATOM 500 HD WINCH

The Mightier Winch Assist Device

Following on from our ever-popular Atom 250 winch, we are now pleased to announce our latest creation - the ATOM 500.

This winch possess all the qualities and features found on the Atom 250, but with a mightier pulling power of 500kg SWL. Supplied with 2 x uncomplicated wireless remote controls (optional wander-lead attachment is available). Our ATOM winches take very little time to install, just mount the unit in the vehicle, connect it to the vehicle battery and it is ready for use.

As with all our high-quality winches, you are guaranteed value for money, durability, effortless and swift installation, fuss-free wiring and straightforward operation.

ATOM 500 WINCH SPECIFICATION

Maximum load: 500kg.
Assembled weight: 6kg / Size: L 240 x W 220 x H 120mm

Features & benefits:

- ▶ Anti-roll back feature.
- ▶ Overload and obstruction safety sensor with emergency stop protection.
- ▶ Silent operation with gentle stop/start motion.
- ▶ Compact body with moulded cover encompassing all moving parts to prevent damage or injury.
- ▶ Quick and simple installation with trouble-free wiring to base vehicle. Just a 12 volt supply connected to the detachable plug. Hand brake interlocking instructions are provided.
- ▶ Base plate with quick-release mechanism to effortlessly fit & remove the winch from the vehicle, without the need for any tools. This feature gives you the option of allowing the winch to pivot in line with the wheelchair, preventing any issues with webbing ride-up.
- ▶ Supplied with 2 ergonomic, easy-to-use wireless remote controls. One so small you can attach it to your car keys and carry in your pocket.
- ▶ Safe and simple wheelchair attachments supplied as standard, with either tongue and buckle or karabiner option.
- ▶ Robust and dependable, cycle tested for long-life durability.

Kit includes:

- ▶ Pre-built winch and moulded cover.
- ▶ V harness or optional T bar attachment.
- ▶ 6 Metre length webbing. (10 metre option available)
- ▶ 2 x wireless remote controls.
- ▶ User manual.
- ▶ Universal quick-release fixing plate.

Warranty: One year return to base warranty.
