

SUPPORT FOR ISRAEL?

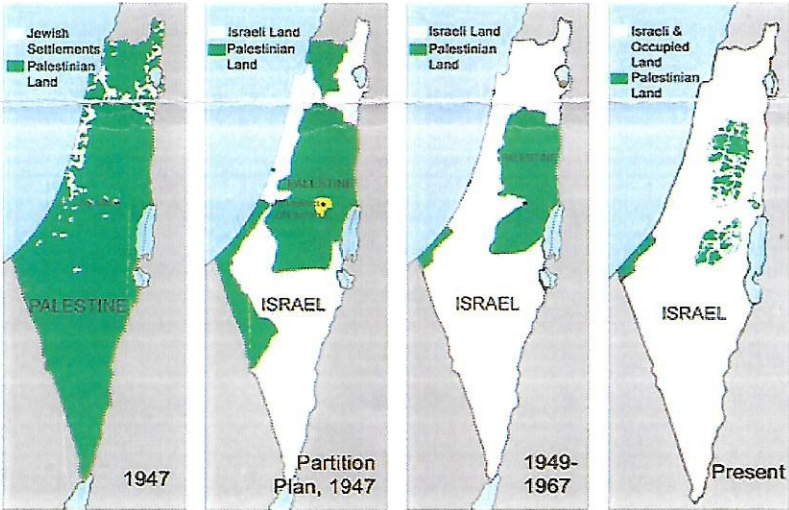

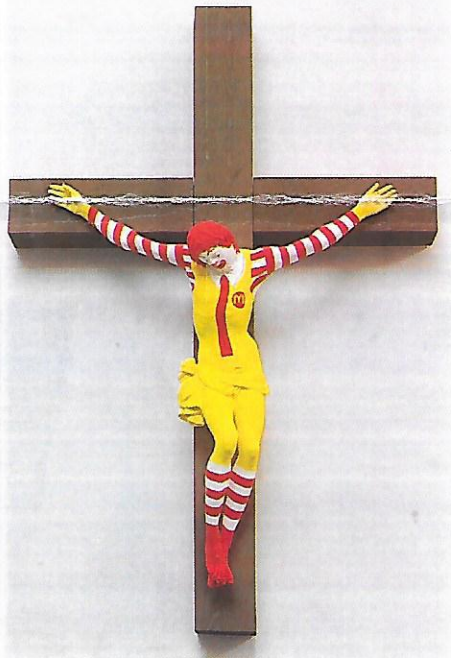

Shown below is an image of the Virgin Mary which an Israeli Army tank fired upon on March 14, 2002

This is what racist criminal Zionist Israel thinks of Christians. An Israeli tank fired away at this statue of the Blessed Virgin Mary on top of a Catholic Church in Bethlehem hitting her 69 times and in the process mutilating her face and blowing off her hands. To hit that statue, the Israeli gunner had to elevate the machine gun up towards the statue. So it was no accident!

This deliberate attack on a Christian Church in the city where Jesus Christ was born symbolizes the extreme hatred of Jews for Christians, whether they be in the land of Palestine (now known as Israel, since 1948) or right here in the United States. In fact, the Jews have been waging a war of genocide against both Christians and Muslims in Palestine since 1948. The facts are these: since 1967, Israel has killed thousands of Christians and Muslims; destroyed thousands of homes, hospitals, Churches, Mosques, schools and built Jewish settlements on land stolen from Palestinians.

Palestinian Loss of Land 1947 to Present

The blasphemous image called "McJesus" was displayed in a museum in Haifa, Israel for an unknown, but lengthy period of time before Palestinian Muslim and Christian protests forced the Jews to take it down. And an Israeli Children's TV show depicted a toy monkey being crucified just like Jesus.
