## Quality Client Services

*Providing quality, “proactive” customer service is the distinct advantage we offer our clients. These necessary services must be provided accurately and efficiently in order to have a successful voluntary employee benefits program!*

### Voluntary Employee Benefit Choices

NBC provides voluntary or “**supplemental**” employee benefit solutions for employers of all sizes throughout the country.

As an independent service organization, NBC has multiple insurance companies from which to choose. This enables us to provide our clients with a comprehensive analysis and offer the most competitive product choices available in the marketplace.

### Comprehensive Product Portfolio

- Disability Income Protection
- Universal Life Insurance
- Term Life Insurance
- Accident Insurance
- Critical Illness Insurance
- Medical Gap Coverage
- Long-Term Care
- Section 125

### Value-Added Services

- Voluntary Employee Benefits Plan Design
- Onsite, Internet or Call Center Enrollment
- Core Benefits Communication
- Policyholder Services
- Claims Processing
- Ongoing Billing Reconciliation

NBC acts as the **service intermediary** between employers, employees, insurance companies and brokers. We’ve earned a reputation as a leading provider of supplemental employee benefits because of our attention to “managing the details.”

Our efficient turnkey system enables our clients to enhance their employee benefits program at no cost while satisfying the needs and expectations of their employees.
