Marc L. Pushkin is the president of Pushkin & Pushkin, Inc., a consulting actuarial firm specializing in the design and administration of pension and profit-sharing plans, economic analyses for litigation support including wrongful death and disability studies, lost wage and benefit evaluations, pension divorce valuations, life estate valuations, and structured settlement analyses. He has over 40 years of experience as a pension actuary, and he has spoken on pension plans and fringe benefits to accountants, attorneys, bar associations, and other professional groups. He has been admitted as an expert witness in Washington, D.C., Virginia, and Maryland courts, and frequently testifies on actuarial matters.

Mr. Pushkin is a member of the American Academy of Actuaries and the American Society of Pension Professionals and Actuaries. He is enrolled by the Joint Board for Enrollment of Actuaries to perform actuarial services under the Employee Retirement Income Security Act of 1974 (ERISA). In addition, he is a member of the Maryland State Bar Association and various local bar associations.

Experience

- Providing legal counsel to pension, profit-sharing, and qualified retirement plans.
- Martindale Hubbell AV rating (highest attorney rating)
- Determining actuarial funding requirements for defined benefit pension plans, preparation of required Internal Revenue Service and Pension Benefit Guarantee Corporation filings.
- Valuation of pensions for marital property purposes. Providing expert testimony in Qualified Domestic Relations Order (QDRO) cases.
- Structured settlement analysis.
- Valuation of life estates.
- Determining present value of the cost of medical goods and services under life care plans.
- Lost income determination in matters of wrongful death, personal injury, wrongful discharge, and workplace discrimination and calculating the present value of lost household services.
- Deposition and court testimony as an expert witness for damages in economic loss valuations.
