VACANCY

OFFICE COORDINATOR

International Accord for Health and Safety in the Textile and Garment Industry

Reports to: Head of Signatory Engagement

ABOUT THE INTERNATIONAL ACCORD

The International Accord for Health and Safety in the Textile and Garment Industry (International Accord) is a legally-binding agreement between garment brands and the global trade unions IndustriALL and UNI Global Union. The agreement builds on the 2013 and 2018 Accord on Fire and Building Safety in Bangladesh, and is implemented by the International Accord Foundation based in the Netherlands. More than 180 garment and textile brands have signed the International Accord so far.

The International Accord supports its signatories in implementing the health and safety program established in Bangladesh through the RMG Sustainability Council (RSC). In December 2022, the International Accord signatories agreed to also establish a workplace safety program in Pakistan: The Pakistan Accord. The International Accord will continue to assess feasibility of expansion to other countries in the coming years.
