

**LARSON GALLERY GUILD ANNOUNCES
A Call to ARTISTS for
THE 2024 YAKIMA ART FESTIVAL**

MAY 18, 2024

DOWNTOWN ROTARY MARKETPLACE

15 W Yakima Ave, Yakima, WA 98902

This year's festival will showcase fine art from around the Yakima valley. New and emerging artists are encouraged to apply. To refine the type of art we are seeking, the Guild has developed a set of criteria that will be applied to each applicant before admission. Although the Gallery appreciates the many crafters that contribute to our art community, art deemed to be a craft rather than fine art will not meet the admission criteria for this year's event. Also, note that original fine art pieces will meet the criteria, but prints will not. For more information on the event, the criteria and to register visit **larsongallery.org**. Registration is limited to the first 40 registrants approved by April 24, 2024.
