BRAS OFF BROADWAY

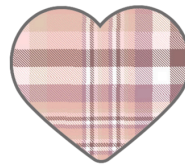

F A R G O | N D A K O T A

Bras Off Broadway was brought back to the community 3 years ago by the non-profit group, Pink Plaid. Our main goal is to provide direct patient support for those suffering from breast cancer in the F-M area. Because of the amazing sponsors like you, we have been able to help the lives of so many in our community. We can't wait for you to join us at this years event!
