# NOISE EXEMPTION PERMIT

This permit must be posted in a visible location, seven days before the noise takes place.

---

2655271

## P45-5313018

---

Site Address: 1555 QUEEN ST E

Issued To: RC ASHBRIDGE INC

Exemption Type: CONTINUOUS POUR AND/OR LARGE  
CRANE

Hours of Operation:

**Condition(s):**

Queen Ashbridge Condominium (1050-1060 Eastern Ave), Queen E & Coxwell

Mondays-Fridays: After 7pm to 10pm only concrete finishing power floats. Finishing operations do not include the operation of the Generator.

Saturdays: After 7 pm to 10 pm only concrete finishing power floats. Finishing operations do not include the operation of the Generator.

\*Under valid and confirmed unavoidable circumstances such as delayed concrete trucks, crane issues or unexpected weather changes once pours have initiated, the 10:00 pm end times can be extended to 1:00 am. Any anticipated extensions shall be documented as to the reasons and provided to NoiseTO. Upon review of matters, the Executive Director has the option, with notice, to remove this caveat if there is any evidence of misuse.

Carleton Grant  
Executive Director  
Municipal Licensing and Standards
