So when I love to come home, cos when I get you alone  
You know I feel O.....K

When I'm home everything seems to be right  
When I'm home feeling you holding me tight, tight, yeah

It's been a hard day's night, and I've been working like a dog  
It's been a hard day's night, I should be sleeping like a log  
But when I get home to you I find the things that you do  
Will make me feel al....right - You know I feel al.....right - You know I feel al.....right

## MONSTER MASH

Intro – G /// Em /// C /// D ///

I was working in the lab late one night - When my eyes beheld an eerie sight  
For my monster from his slab began to rise - And suddenly to my surprise

He did the mash - he did the monster mash  
The monster mash - it was a graveyard smash  
He did the mash - it caught on in a flash  
He did the mash - he did the monster mash

From my laboratory in the castle east - To the master bedroom where the vampires feast  
The ghouls all came from their humble abodes - To get a jolt from my electrodes

CHORUS

The zombies were having fun - The party had just begun  
The guests included Wolfman - Dracula and his son

The scene was rocking all were digging the sound - Igor on chains backed by his baying hounds  
The Coffin Bangers were about to arrive - With their vocal group, the Crypt-Kicker Five

CHORUS

Out from his coffin Drac's voice did ring - Seems he was troubled by just one thing  
He opened the lid and shook his fist and said - "Whatever happened to my Transylvania twist?"

CHORUS

Now everything's cool, Drac's a part of the band - And my monster mash is the hit of the land  
For you, the living, this mash was meant, too - When you get to my door, tell them Boris sent you

The musical score for 'The Rose Tree' is presented in two systems. The first system shows the beginning of the piece, starting with a treble clef, a key signature of one flat (B-flat), and a 4/4 time signature. The melody is written on a single staff, and the accompaniment is written on a grand staff (treble and bass clefs). The melody begins with a quarter rest, followed by a quarter note G4, a quarter note A4, and a quarter note B4. The accompaniment consists of a steady eighth-note pattern in the bass clef. The second system continues the melody and accompaniment, with the melody featuring a series of eighth notes and quarter notes. The key signature changes to two flats (B-flat and E-flat) in the second system. The piece concludes with a final cadence in the key of B-flat major.

## Wooden Heart

INTRO : C / F / C / F / C / F / G7 STOP

Can't you see I love you, please don't break my heart in two,  
That's not hard to do, 'cause I don't have a wooden heart.

And if you say goodbye, then I know that I would cry,  
Maybe I would die, 'cause I don't have a wooden heart.

There's no strings upon this love of mine,  
It was always you from the start.

Treat me nice, treat me good, treat me like you really should,  
'Cause I'm not made of wood, and I don't have a wooden heart.

Muss I denn, muss I denn, zum städtele hinaus,  
Städtele hinaus, und du mein schatz bleibst hier  
Muss I denn, muss I denn, zum städtele hinaus,  
Städtele hinaus, und du mein schatz bleibst hier

There's no strings upon this love of mine,  
It was always you from the start.

Treat me nice, treat me good, treat me like you really should,
