Attendance Policy

Scheduled Appointments:

- Please arrive for each appointment in time to check in and begin therapy at the scheduled time.
- We recommend that you be involved in your child's treatment session. If you do wish to leave, please return at least **5 minutes** prior to the session being completed to enable the therapist to discuss your child's progress.

Cancelations:

- If you must cancel an appointment due to an illness or emergency, contact our front office **24 hours** before the scheduled appointment or the full therapy session fee may be assessed. Our office staff will then ask for your availability to reschedule the appointment.
- When an appointment is rescheduled it is expected that your child will attend that appointment. Multiple cancels and reschedules require reviewing the child's schedule and determining of another time may be more beneficial.
- In the event of inclement weather that may be a safety concern, contact our office if you are unable to make it to the appointment. A fee will not be assessed and a reschedule will be offered.
- Frequently canceled appointments (more than 2 canceled appointments of any discipline for every 4 scheduled) will be basis for removal for your reoccurring appointment schedule.

No Shows:

- Failure to cancel or appear during an appointment is considered a no call no show. A **\$75** no call no show fee will be applied to your account. Please contact our office immediately to discuss future appointments.
- If we are unable to reach you within 3 days after a no show appointment, your child's appointment will be automatically offered to another child waiting for services.

A Note from the Therapist:

It is expected that families make every effort possible to attend scheduled appointments. When therapists establish a plan of care for your child, they base the goals and progress on your child having consistent therapy sessions (weekly). If your child misses appointments or arrives late, they may not meet their goals as quickly, and your child will likely need to be enrolled in therapy for a longer period of time. The success of treatment sessions depends on consistency and timeliness. In the event that a family does have to cancel, it is strongly encouraged that it be rescheduled.

I have read the attendance policy and understand the attendance expectations for my child.
