How will the sunshine look dancing along the surface in the early morning—or at dusk? The wide variety of vinyl liner options offered by Latham will ensure your pool looks the way you want it to, and matches your vision of what a pool can be.

The Ultra-Seam® Advantage

All Latham liners come with our exclusive Ultra-Seam® technology—the strongest seam you'll never see. This patent-pending liner seaming technology not only provides stronger liner seams for your pool, it is also virtually invisible—something that standard welded liner seams simply cannot achieve.

Standard – Floor seams are visible on standard liners.

Ultra-Seam – No visible floor seams.
