**Alice Carr Dedication Concert:** WCS honors the memory of beloved "Waddingtonions" lost since the last dedication concert in July 2025. (Date span this year is July 1st, 2025- July 1st 2026). A memory board will be placed near the pavilion entrance where family and friends are invited to add a picture of their lost loved one(s). Pictures should be no larger than 8X10 and the name of the lost loved one needs to be on the photo. Please keep in mind that picture/pictures of the completed memory board may be posted on Facebook. If you choose to place the obituary on the board that is absolutely acceptable. Waddington Concert Series is not responsible for lost or damaged photos so it would be best to use a copy. WCS will provide tacks for attaching the memories. If the pic/obit is online and you need help placing it on the memory board you can send the link to the obit via email to [waddingtonconcertseries@gmail.com](mailto:waddingtonconcertseries@gmail.com) or by message on Facebook. WCS will print and place on the board . The last date to submit pics/obits via email or FB message is June 26th. However, if you are placing your precious memory on the board yourself, the board will be available the afternoon of the show. The concert is a tribute to our lost community members and WCS plans to honor them with great music! (We all know how much Alice loved to dance!)
