

S.O.P. Standard Operating Procedures

Range opens at 9:00 am and closes at 8:00 PM until daylight in the fall and winter is reduced. The closing is ½ hour before dark and is posted on clock.

All guns must be holstered or empty upon entering the range.

Upon entering the cold/Hot range marker must be pointing to Hot for range is occupied

Any guests must be registered and signed for with badge number on guest form and the \$10.00 fee paid and put in orange box before entering range. No visitors are allowed on range without member present.

The gun or guns should be placed on table and not loaded until ready to fire. All others and guests must be behind shooter unless they are firing a weapon and then to the side of first shooter.

Targets are never any further than 6' from the back berm.

There are to be no high powered rifles shot any higher than 4' on short range.

There are no more than 4 guests allowed with the member on the range and must stay in one lane.

All shooting stops when anyone calls CEASE FIRE. Firing can only resume when an RSO or manager states Resume firing.

Any violations witnessed must be reported to the RSO which is the Range Safety Officer. Any violations witnessed and not reported that are videoed will result in both parties suspension from range. There are currently 6 RSO certified Personnel. Any unwanted attitude or issues will be dealt with immediately. Our range will always be a safe range with strict adherence to rules.
