

## Class of 2021 Project Graduation Volunteer and Support Needed

Dear Kaiser High School Community,

**SAVE A LIFE!** If you can make a difference in protecting one teen's life, wouldn't you do it? This is a fun and rewarding project to be involved with, we promise! It will either take a lot of work and resources for a few people, or a little of both for a lot of people to organize and produce **Project Grad 2021**. Mahalo to parents whom have already volunteered to support this drug and alcohol-free evening for the graduates on their milestone celebration night. **We need your help!**

We are organizing for the upcoming school year a little later than normal, as our lives have changed in the past few months. Due to the COVID school and graduation disruptions, we were not able to hold the major fundraising event of selling bentos at graduation. Sport events may not be our best venues to raise funds this coming year. We need to pivot and look for alternative ways to catch up and maintain momentum. **We need more parents and school community to get involved and now, more than ever, we need your support.**

Please fill out this form and return it to the Kaiser School office - Project Grad 2021 mailbox.
