

DEAR COMMUNITY MEMBERS & CHARM SUPPORTERS,

Thank you! Since 2018, thanks to the time and contributions of our wonderful community of volunteers, partners, and **supporters like you**, Child Health & Resilience Mastery (CHARM) has empowered **thousands of children, families, and educators** in Santa Cruz County to strengthen their resiliency in transformative and health-promoting ways.

Our Camp Druzy, Tapestry, and other CHARM programs have empowered nearly **500 grieving children and their caregivers** with basic needs, positive coping skills, connection, greater resiliency, increased overall wellbeing, and so much more! All at no cost to them.

Families have described our programs as **"magical"** and **"life-saving"** with 100% rating us as top-notch! And, CHARM has been top-rated by GreatNonprofits every year! Families even "pay it forward" by volunteering for future camps and serving on our board of directors!

After just 3 intensive days at Camp Druzy all campers report greater resilience, **100% of children at maximum scores** of resiliency for multiple dimensions, and all adults report greater overall well-being with many self-reporting as being **"the best I have ever been"**. Plus, CHARM continues to support families to strengthen resiliency after camp. We have the power to buffer the negative impact of early childhood adversity - to positively impact the health and lives of our families, even into adulthood!

Additionally, through training, workshops, and district-wide efforts, we have provided **hundreds of educators and their students** with meaningful social and emotional learning support in classrooms and across districts. All at no cost to them. Educators have described our workshops as **"perfect"** and **"the most heart-felt and rewarding workshop I have ever attended"**. Plus, each holiday season, Tapestry continues to offer comfort and resources to grieving families with children - nearly 150 and counting since 2019.

We need your help to continue this positive impact on the community! Please consider supporting CHARM families and programs with **100% of your contributions** going directly to change the lives of bereaved children and families in Santa Cruz County for the better.

THANK YOU FOR YOUR CARING GENEROSITY,

Hottinger
