

ABOUT US:

We are a home based FFL licensed by the ATF and the STATE OF ILLINOIS.

Our goal is to build a small, first name basis relationship with our customers to provide legal firearms or ammunition transactions. We are a TYPE 07 FFL that allows us to purchase or assemble weapons for customers as well as work with other online dealers or manufacturers for state to state sales or transfers.

ALL of our business and transaction are by appointment only. We ask you respect our privacy and policy and do not come to our residence without an appointment. ABSOLUTELY NO BUSINESS WHATSOEVER will take place without an appointment or discussion confirming your arrival. Please do not come unannounced or you will be asked to leave. Anyone on our property without an appointment will be considered trespassing. Our residence is secure with a 24hr security alarm and video recording. It's monitored and backed up by an offsite third party and directly linked to the local police in the event of an alarm. Our systems are backed up in the event of any power outage and integrated cellular equipment is used to maintain a secure location.

For our safety and yours, you must agree to our policy and procedures and request you ask any questions you have regarding your transaction in writing before proceeding with any service.

It's a pleasure to meet you, hopefully we can continue business for years to come

Sincerely My Local FFL
