

## New Purchase / Start

You just bought a gun and want to know what the process is to move forward and do the background check and to acquire the firearm. Follow the steps below. There is no need to contact me if you follow all the steps and include the necessary information.

Email ALL the following required information to:

[Info@MylocalFFL.com](mailto:Info@MylocalFFL.com)

- 1) A picture of your foid
- 2) Your cell number
- 3) A receipt of the actual purchase showing the date, time (if possible) and firearm with the cost. State requires a 72 hour waiting period.  
**DO NOT text it to me.** I have to print it out for the state.  
Forward the original email sent from the seller if you can view it (without logging into an account) - I cannot access logged in information. If your receipt does not have a time stamp on it you are required by law to wait until the next day to ensure the 72 hour waiting period has passed
- 4) I will reply and confirm I have the correct information necessary
- 5) When the firearm is received, I need time to log and register it with the ATF that it is in my possession. DO NOT call, text or email me to tell me I have it and its been delivered.
- 6) I will contact you and let you know when we are ready to move forward and schedule a background check. I will text you instructions, directions and requirements for the actual paperwork

You do not need to call or text me if you have followed all of those steps.  
Thank You for your cooperation
