

March Newsletter
District 42
Democratic-Non Partisan League
of North Dakota

Greetings,

We had a successful fundraising event in March and we're ready to start the election season. There are three seats for Democrats and Non-Partisan Leaguers to win in District 42.

District 42 is basically the rectangle formed by the Salvation Army building, Judy's bar, the Gateway/new Walmart traffic light, and the railroad tracks. If you're not sure if you live inside that box, we can help you.

As the summer arrives and (hopefully) the coronavirus scare lessens, we'll be looking for people to help put up signs, knock on doors, make phone calls, and host some backyard parties for our candidates to meet your neighbors. Please be thinking about how you can help.

We have five candidates and on Tuesday we'll be narrowing that down. As your chair, I'll tell you I can make a convincing argument for all five folks, but we can only run three. Information about these folks is on line. You can read about them at nd42.org before the meeting, you can join our call/meeting, and you can vote for the ticket you think will help us win and help families in Grand Forks.

Information for the Zoom meeting is in facebook or on the website.

We need you. We all need each other.

Join us for a Zoom Call

Zoom is an on-line meeting software, and you can use your computer to log in and watch and/or you can call a phone number to listen.

We'll be deciding the three people District 42 will be endorsing for the November 2020 elections for legislative seats in Bismarck.

April 6
Deadline for Candidate Filing

If you have interest in running for a county commissioner, city councilor, or a park board or school board seat, your deadline is approaching. If we can help you get on the ballot, be sure to ask for help. Once you're on the ballot, we'd like to help you get your message out, too.
