WORLD CUP™
FRANCE 2023

Fixtures, Pools & Knockout

Hobby project by Lloyd Warburton (@LloydCymru)

Pool Point Allocation:

As a base, 4 points are awarded for a win, 2 points for a draw, and none for a loss, however, bonus points are awarded for scoring 4 or more tries, and for a loss by a margin of 7 points or fewer. The table below shows every possible number of points that can be awarded, and how they can happen.

Win: scoring 4+ tries	+5 points
Win: scoring less than 4 tries	+4 points
Draw: scoring 4+ tries	+3 points
Draw: scoring less than 4 tries	+2 points
Lose: by 7 points or less and scoring 4+ tries	+2 points
Lose: by 7 points or less or scoring 4+ tries	+1 points
Lose: by 8 points or more and scoring less than 4 tries	0 points

Pool Tiebreaking:

In almost every case, the number of points awarded for the pool matches is enough to determine the rankings of a pool. This isn't always true, so 7 criteria are used to determine rankings.

1. Points awarded to the team from all their pool matches;
2. Points awarded from matches between the tied teams;
3. Points difference in all their pool matches;
4. Tries difference in all their pool matches;
5. Points scored in all their pool matches;
6. Tries scored in all their pool matches;
7. World Rugby Rankings.
