

## Looking Ahead by Looking at Our Past

The last two years have been productive in many ways. We have accomplished a lot:

- New electrical to Quonset hut and annex, new electrical box and many other electric upgrades courtesy of IBEW #364 over the 2 year period
- New garage doors on Quonset courtesy of Roscoe Garage Door
- New furnace installed at cost by Total Plumbing & Heating
- Insulation in Annex courtesy of Metro Insulation
- Waterproofing in basement courtesy of Dry Otter
- Sheet metal / Ductwork courtesy of LM Sheet Metal
- Exterior paint removal from the 1840s brick and chimney repair/rebuild by Mike Harris Masonry
- Annex gutted, drywalled, new flooring, windows, doors, and lighting

But, we have more to do! To finish the exterior, we need to accomplish the following:

Tuck-point / repair the brick exterior  
 Replace 11 windows on original part of home  
 Rebuild the front porch / sidewalk  
 Repair the original front door  
 Replace 4 windows on the Quonset  
 Landscaping

**Soon, we will begin our Memorial Brick Program!**

**Help RTHS by sponsoring a memorial brick and help us reach our goals to renovate the Cross Home. More information will be coming very soon, so follow us on Facebook and check our website for the latest information!**

**Here's to a successful 2024!**
