The Blue Water Ramblers' repertoire comes right out of our Michigan life experiences and the history of the Great Lakes region. It includes shanties, ballads, rallying cries, paeans, humor, love songs, gospel music and children's ditties. Everyone agrees that these combine into a versatile repertoire to the delight and entertainment of their audiences. "I think my hero, Woody Guthrie, would approve," opined Banjo-Jim. "We're singing the people's songs about the people's lives and they can join right in and sing along." Bring your lawn chair.

With no cost to participate (unless you choose to rent or test a boat) we hope you'll be motivated to meet like-minded paddlers and socialize in our water wonderland.

### Kayak Skills Clinic (\$20 per clinic)

Even though we all say we're going to practice different paddle strokes or rescues — we often don't. Like an exercise buddy, having someone else show-up to work with forces you to grow.

- Guide(s) will be present
- Pre-registration required — sign up on our website
- Bring your own sea kayak, sit-on-top, or paddleboard
- Wearing your life jacket is required

- All boats must have structural buoyancy; some inexpensive recreational kayaks do not have structural buoyancy (*let's talk and teach you why it's important*).

# **STORY BOOK TRAIL**

**HESSEL SCHOOL HOUSE  
AVERY ARTS & NATURE  
LEARNING CENTER**

A year-round, family adventure along a winding, wooded trail at the Hessel School House, giving children a new and memorable experience in discovering the joys of reading.

Every two weeks during the summer months, a classic Great Lakes or nature-based storybook is chosen and its pages displayed at multiple stations along the path, which ends at a small, secluded picnic area that also serves as an outdoor classroom.
