

NERC GO/GOP Compliance Package

NERC compliance is confusing at best. Abidance Consulting has many staff that spent more than 2,000 hours developing this compliance package. NERC registered entities like Calpine, First Solar, Memphis Light Gas & Water, PJM, PPL, Salt River Project, TransAlta and UpWind Solutions plus many more have already taken delivery of their GO/GOP compliance package.

The following items are only a small part of the Abidance Consulting NERC GO/GOP compliance package:

- ◆ Policy Templates for all GO/GOP requirements beginning with the BAL requirements and ending with the VAR requirements
- ◆ Facility Ratings Methodology
- ◆ Internal Compliance Program Template
- ◆ Pandemic Template

In all, there are more than 45 documents totaling more than 1,000 pages that you will receive.

Abidance Consulting is once again changing the face of NERC compliance by offering the first available NERC GO/GOP, Compliance Package. The compliance package can be easily tailored to meet your exact specifications by your staff.

A GO/GOP compliance package for NERC compliance efforts is an efficient and cost effective way to deal with the multiple changes that are occurring with the NERC requirements. Using the Abidance Consulting GO/GOP compliance package will alleviate the need of your staff dedicating hundreds or even thousands of hours to this effort when they are already bogged down with the daily running of your facility. Your staff may not have the time or experience necessary to dedicate to this ever changing environment so let Abidance Consulting remove this burden.
