

HIPAA Compliance Managed Services

Is Your HIPAA Compliance Program Designed With The Same Meticulous Attention To Detail?

HIPAA compliance is confusing at best. Abidance Consulting has many staff on hand to assist you through your compliance efforts.

Abidance Consulting's compliance team has spent thousands of hours developing a compliance initiative that will allow you to ensure compliance is met and maintained at all times. The following services are only a small part of the Abidance Consulting HIPAA Compliance Managed Services Program:

- *Annual Gap Analysis*
- *Annual Mock Audit*
- *Internal Compliance Program (ICP)*
- *Self Certification & Self Reporting*
- *Audit Preparation—to include filling out audit required documents and attending all audits and spot checks*
- *Annual Spot Checks*
- *Pandemic*
- *Business Continuity Plan(s)*
- *Disaster Recovery Plan(s)*
- *Create Mitigation Plan(s) where appropriate*
- *Complete Audit Support Before, During & After An Audit — We Will Be Present At Your Audits*
- *We've got you covered from Privacy to Security and everywhere in between*

Abidance Consulting is known for delivering solutions, services & knowledge throughout the Healthcare industry. Abidance Consulting is carrying on that tradition with their latest service - HIPAA Compliance Managed Services programs. The Managed Services program meets the HIPAA Privacy and Security requirements of our clients.

Many HIPAA Entities do not have staff with the necessary time to dedicate to this ever changing environment or the skillsets required to properly implement a Managed Services Program based on the HIPAA ruleset.

How Secure Are You With Your HIPAA Compliance Efforts?

Pricing for the HIPAA Compliance Managed Services Program is a *fixed-fee* program based on the number of facilities. In general, the Abidance Consulting HIPAA Compliance Managed Services program costs 40% to 50% less than hiring staff internally.
